

# CONFERENCE SCHEDULE

19<sup>TH</sup> ANNUAL

APRIL 27-29, 2023

## WINNIPEG VASCULAR & ENDOVASCULAR SYMPOSIUM

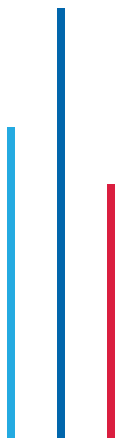

RESIDENTS' DAY

THURSDAY, APRIL 27

GENERAL PROGRAM

FRIDAY, APRIL 28 & SATURDAY, APRIL 29

FAIRMONT WINNIPEG

# CONFERENCE GOALS

The primary goal of this multidisciplinary conference is to provide current state of the art information through an engaging platform and immersive learning experience to attendees. Thought leaders in vascular surgery will share advances in medical education, clinical reasoning, research and real-world experiences that can be used to improve vascular surgery in Canada

## MAXIMIZE LEARNING

A schedule has been created with sessions and topics that are relevant, authentic and original utilizing a number of formats including speaker presentations, debates, keynote lectures and case studies.

Residents' Day is a highlight each year where residents from all vascular surgery training programs across Canada are provided an opportunity to deliver presentations on various vascular topics chosen by the planning committee. Session moderation is provided by the vascular surgery program directors.

## DYNAMIC NETWORKING

Being in a group of like-minded people encourages creativity and inspiration. Bringing together professionals from different disciplines and areas of the country provides an opportunity to connect and share ideas with other individuals focused on growing and improving vascular surgery.

# LEARNING OBJECTIVES

Upon completion of the program, participants will improve their understanding of the current status and management of:

1. Carotid stenosis
2. Aortic aneurysms
3. Thoracic aorta conditions
4. Lower extremity peripheral artery diseases
5. Vascular malformations
6. Chronic venous disease
7. Infrainguinal occlusive disease
8. Lymphedema
9. Uncommon vascular diseases
10. Educational and manpower issues affecting the practice of vascular surgery in Canada

# MOBILE APP

# SPONSORSHIP EXHIBIT SPACE

Without the support of our sponsors and exhibitors, this important educational event would not be possible. Be sure to visit this year's exhibits to see the latest products and services from our sponsors.

## HOURS

Friday, April 28 - 0700-1630

Saturday, April 29 - 0700-1400

## PASSPORT TO PRIZES ACTIVITY

The Passport to Prizes activity is a fun and interactive way for attendees to connect with sponsor companies. Sponsor companies will be available in the exhibit space during the general program which runs on Friday and Saturday.

Each attendee will be provided with a passport along with any conference materials when they check in at the registration table. Upon visiting each sponsor, attendees will receive a stamp in the passport to prizes booklet. Upon completion of the passport, these will be submitted to the Registration Booth for an entry into a draw for prizes being held Saturday afternoon.

# RAPID FIRE SESSIONS

Please refer to the Event Mobile App for information regarding the unaccredited Rapid Fire sessions.

*This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.*

*This activity has been approved by the Canadian Society of Vascular Surgery for a maximum of 18 hours.*
